

# User Quick Start Guide: Wickr Messenger

## 3 STEPS TO GET STARTED

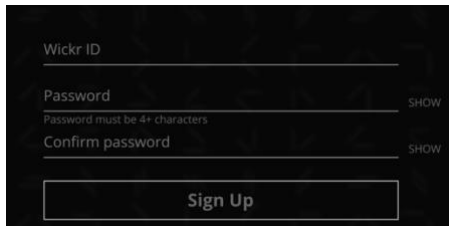

### 1 DOWNLOAD & INSTALL

Visit the [Wickr Download](#) page.

### 2 CREATE YOUR WICKR ME ACCOUNT

Click on the Register Button to Register your device.

Enter your chosen WickrID, select a password, and then Sign up.

### 3 LOG IN ON MULTIPLE DEVICES

Never miss important conversations! Users should install Wickr Pro on 2 devices at a minimum. **MOBILE + DESKTOP.**

## FAQ

### STARTING A CONVERSATION

Tap the + “Settings” > “Contacts” AND select the users(s). Up to 10 users in a conversation.

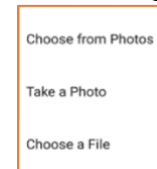

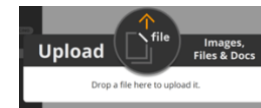

If you want to connect with a Wickr Me user, type in their Wickr ID(username) OR type an email address to find Wickr Pro users.

### @MENTIONS & NOTIFICATIONS

Type the @ symbol before someone’s name or email to get their attention! Notification settings can be adjusted/muted in each room. Type @ALL to notify everyone in the room.

### SHARE FILES

Tap the paperclip icon or DRAG and DROP any file into the message to share them.

### INVITE SOMEONE TO WICKR

Easily invite someone outside your company’s network to WickrMe by email or text.
